MY PORTFOLIO

CC: Bandung Highland

CC: Bandung Highland is a reservation website for members in Bandung Highland to book anything the company provides and was developed using the Laravel framework.

MY PORTFOLIO

CMS CC: Bandung Highland

CMS CC: Bandung Highland is a website for admins in Bandung Highland to manage the data and content and was developed using the Laravel framework.

The screenshot shows the 'Videos' management page within the CMS. On the left, a sidebar menu is open, showing various categories: Admin, Dashboard, MASTER DATA (Admin, Alat Tulis Kantor, Audio, Buku, Coworking Space, Member, Toy), and Video (selected). Below the sidebar, a table lists one video entry: 'World War z' (Horor, 1 Jam 56 Menit, Durasi: 10, Deskripsi: 'World War Z merupakan...', Format: Kaset, Status: Tersedia). The table includes columns for No, Judul, Genre, Durasi, Deskripsi, Format, Status, Cover, and Action. At the bottom right of the table, there is a logo for 'Godevi' and navigation buttons for Previous (1) and Next.

No	Judul	Genre	Durasi	Deskripsi	Format	Status	Cover	Action
1	World War z	Horor	1 Jam 56 Menit	World War Z merupakan...	Kaset	Tersedia
